Autonomous Pro

YOUR GUIDE · 3 STEPS

Start here.

Market intelligence, commentary and trade ideas for traders and investors, **from a hedge fund professional.** Here's what's here, and where to find it.

1

Sign in on Autonomous Pro

autonomousmarkets.io, then the person icon, top right. Your email, or **Continue with Discord**. No password yet? **Forgot password** sends a link.

2

Open the Daily Diary

The first tab: my read through the session, to the minute. Leave it open: entries slide in live.

3

Link Discord

Your account, then **Link Discord**: your rooms unlock. **Your emails** sets your inbox alerts.

HOW IT WORKS

Read it on Autonomous Pro. Talk it through on Discord.

RULE OF THUMB

Want to **read** it? Autonomous Pro. Want to **ask** about it? Discord.

FIND YOUR WAY

Every tab, one tap away.

Home, Daily Diary and Posts sit under the top bar; **More** holds the rest. ☰ opens every tab and Posts' sections, **Pro Only** among them.

AUTONOMOUS PRO, TAB BY TAB

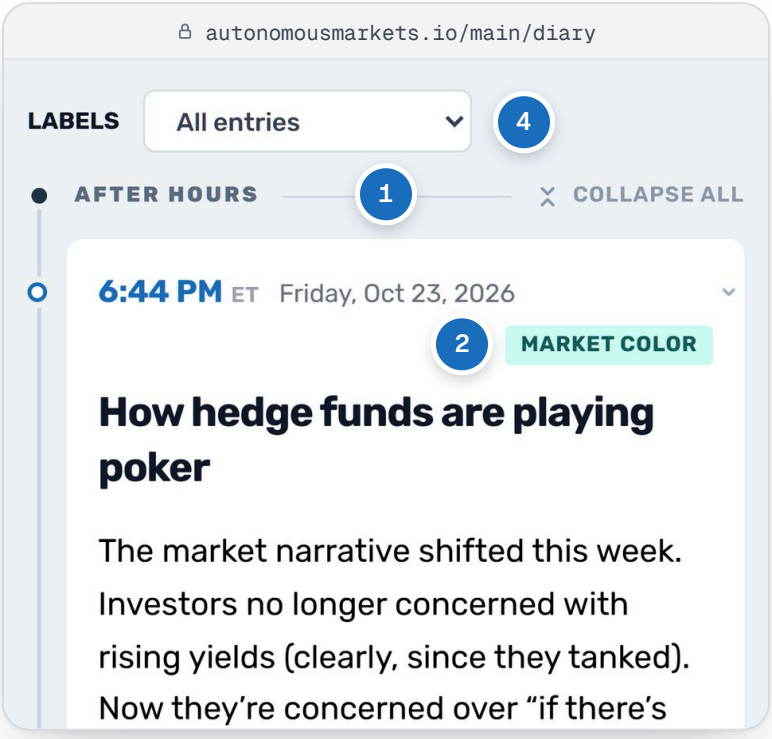

What each tab is for.

1. **Daily Diary** — PRO · SOME FREE
   My live read through the session, stamped to the minute.
2. **Posts** — PRO & UP
   Deep dives, write-ups and institutional research.
3. **Videos** — PRO & UP
   The daily market recap, walkthroughs, AMA replays.
4. **Trade Ideas** — PRO & UP
   Every trade I take, from entry to exit.
5. **Portfolio** — PRO & UP
   Every position, tagged by horizon. The SPX Plan beside it.
6. **Methodology** — PRO & UP
   How I trade, written down: two reports.
7. **Research** — PRO & UP
   The Research Library. Plus Breadth, free.
8. **Search** — EVERYONE
   Any ticker, like NVDA: everything I've written on it.

DAILY DIARY

The read, as it happens.

What's moving and why. Leave it open all day: a Bloomberg chat with a hedge fund trader.

1. **Filed by session,** stamped in Eastern time.
2. **Labels:** Breaking, Headline, Quick take and more.
3. **Today's and Yesterday's Entries:** under the entries, at the foot.
4. **Labels menu:** every entry of one kind. **Collapse all** folds them.

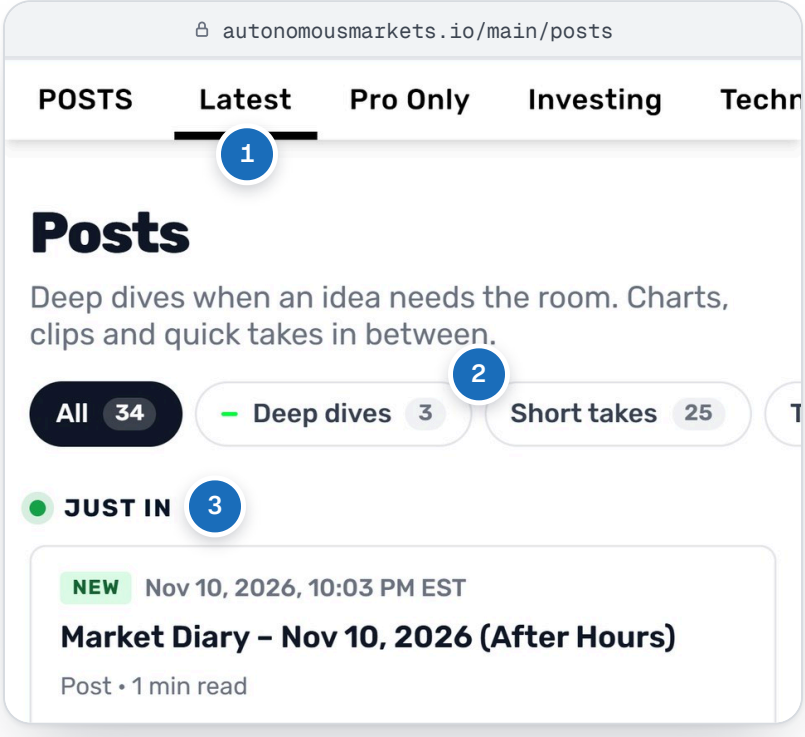

WHO PRO & UP Some entries are free.

DISCORD #pro-posts · free ones in #all-posts

POSTS & RESEARCH

The long form, and the research.

When a thesis needs more than an entry: deep dives, short takes, research and my trade ideas.

1. **The Posts menu:** Latest, **Pro Only**, Investing, Technical Analysis… Swipe it.
2. **Filters:** deep dives, short takes, trade ideas, series.
3. **Just in:** the newest posts. Below: my top story, then Featured.

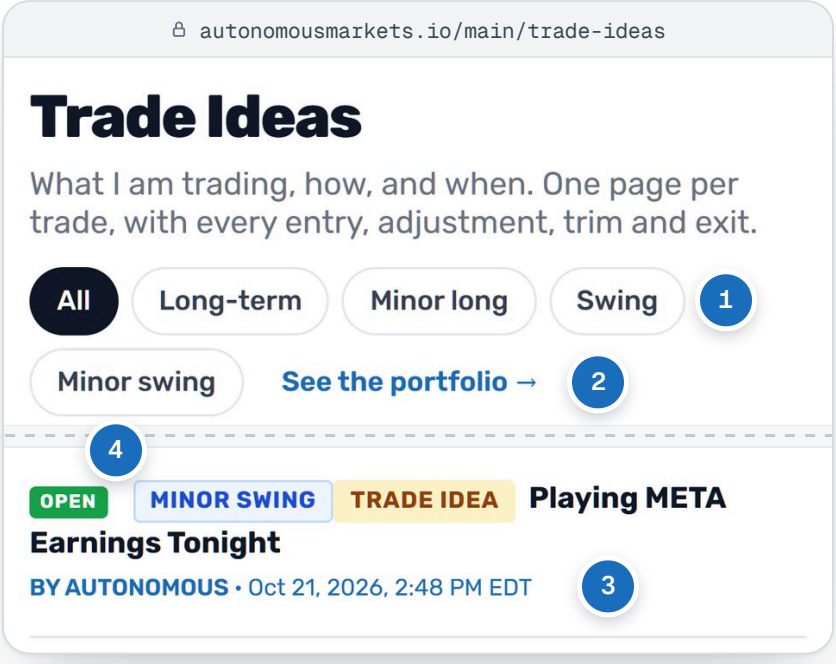

WHO — PRO & UP — Some posts are free.

DISCORD — #pro-posts · reports in #research-library

TRADE IDEAS

Every trade I take.

Posted as I take it, with every add, trim and exit, including the ones that go against me.

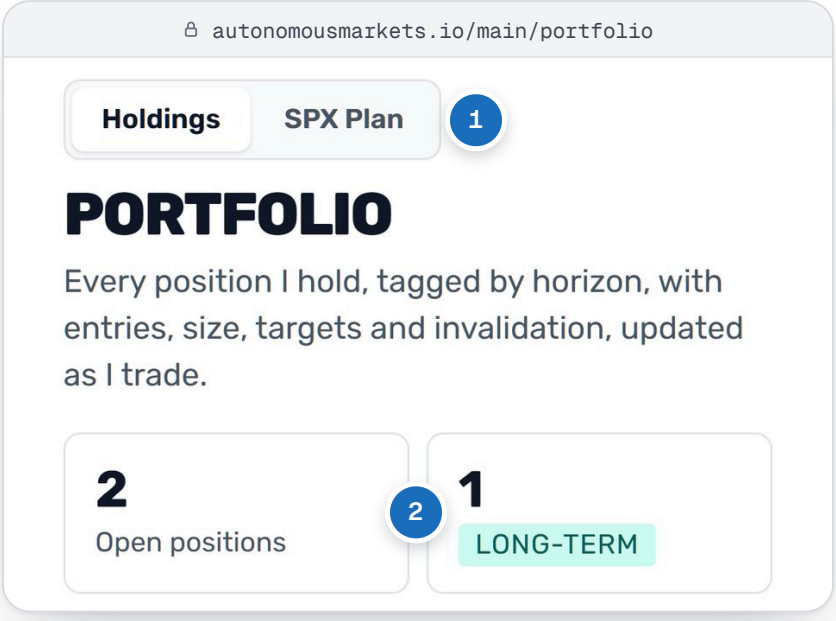

1. **Horizon:** Long-term or Swing. "Minor" means a smaller size.
2. **The Portfolio:** the whole book in one table.
3. **One page per trade,** with every update.
4. **Status at a glance:** open or closed, and its horizon.

WHO	PRO & UP Every closed trade, for everyone, in #portfolio
ALERTS	#trade-ideas the moment I post, and by email if you choose

PORTFOLIO & SPX PLAN

The whole book, in one place.

Every position I hold, tagged by horizon, with entries, size, targets and invalidation, updated as I trade.

1. **Holdings · SPX Plan.** The SPX Plan is my day trades: ODTE index options and ES futures, as I take them.
2. **The book at a glance:** open positions by horizon, and every closed trade on the record.

WHO — PRO & UP The day's SPX levels are in the Daily Diary each morning.

DISCORD — #spx-plan · ask in #pro-chat

METHODOLOGY & RESEARCH

How I trade, written down.

My Methodology is two reports: read the first, then the S&P 500 day trading guide that builds on it.

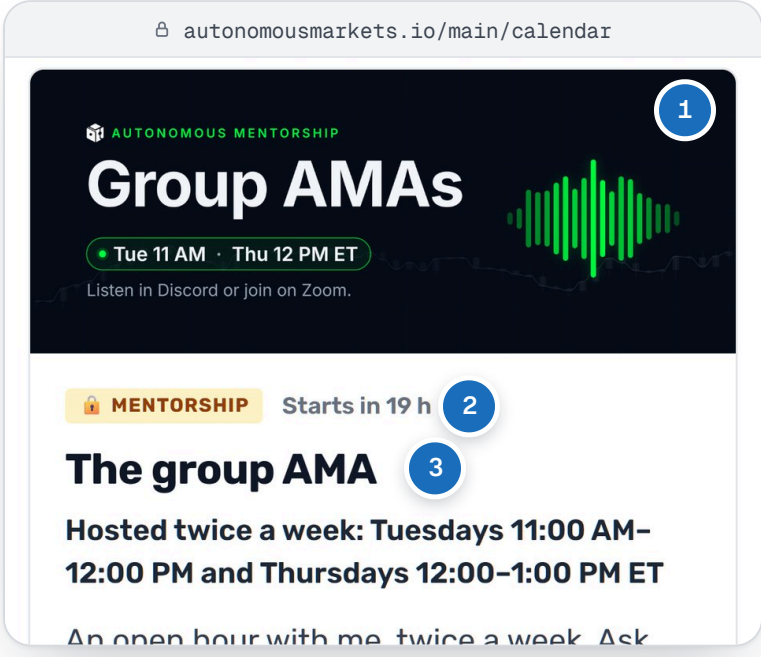

1. **Report 1, My Methodology:** read it first. Why most traders lose, and the sizing and discipline rules I keep.
2. **Report 2, the S&P 500 Day Trading Guide:** 0DTE SPX options or ES futures, built on report 1.

WHO	PRO & UP
TRADES	Every trade idea opens with **Read this first**, linking here.
RESEARCH	The reports: **Research › Library**. Breadth, my market dashboard, is free.

CALENDAR & VIDEOS

Group AMAs, and your one-on-one.

Mentorship: two group AMAs a week, and a 30-minute one-on-one with me every week. The Calendar is in ☰.

1. **Each AMA,** its day and time, in Eastern time.
2. **As a Mentorship member,** the Zoom link and the Discord room appear here.
3. **Further down:** every upcoming date, and **Book my call**.

VIDEOS Daily recap, walkthroughs, AMA replays: **Videos** PRO & UP
